### HOW TO JOIN FIRST BAPTIST CHURCH

At the end of the pastor's message, an invitation is extended to anyone who does not have a personal relationship with Jesus Christ to accept Him. The invitation is also extended to those who wish to become members of First Baptist Church. The Hymn of Response is then sung as an opportunity for those people to come to the front of the sanctuary and talk with the pastor about their desires. When you come forward, simply tell the pastor why you are coming: (1) To accept Christ as your personal Savior; or/and (2) To become a member of First Baptist Church.

Decisions can be made for membership:

- By profession of faith - If you are not yet a Christian but would like to be, or if you are a Christian and have never been baptized as a Believer, our pastor will pray with you and guide you in your decision.
- By transfer of letter - If you are a Christian and a member of another church we will write the church and request that a letter of transfer be sent.
- By statement - If you are a Christian, have been baptized as a Believer, and do not have current membership in a church or are currently a member of a church that does not grant letters of transfer, you can receive membership by your affirmation of the above.
