

## Updated Live Streaming Information

Church Family,

Many of you have experienced trouble accessing the website on Sunday mornings. We apologize and continue to work with our provider to resolve this issue.

Below are links that bypass the church website and provide direct access to video and online giving. Using these alternative solutions will help prevent overload of the website.

Worship Services: <https://boxcast.tv/channel/ed02qw0ggffuvfcf81vng>

Online Giving: <https://www.simplechurchgiving.net/App/Giving/fbcw>

Information on Online Giving

<http://thefirstbaptistchurch.com/Resources/Online%20Giving%20Made%20Simple%20Final.pdf>

Click on one of the links above and you are ready to go.

Once you open a link, it may be helpful to add that address to your **favorites** to create an easy shortcut for you to click each week.

Some of you view via Roku or Smart TV and that is also helpful to lighten the traffic on the website.

**Viewing via Roku** goes directly to Boxcast. Here are instructions for those of you that have access.

Access Roku on your TV

Add the Boxcast Channel and then select it

Search for First Baptist Church Washington

Scroll through the selections until you see a picture of our church.

Select it and you will see any upcoming live streaming events as well as services within the last 90 days.

### **Viewing via Smart TV**

If you have a smart TV follow your TV's instructions for adding a channel. Search for the Boxcast Channel/App, add it and then select the channel and search for FBC Washington just like stated for Roku.

If I can be of any help, please call and we will be sure to get you connected. Please call during the week so we have time to respond. Thank you.

Blessings,

Karen Anderson
